3 Surprising Reasons Your Career is Stuck in Neutral and What You Can Do About It

Author

Stepping Stones to Success, Co-author alongside Deepak Chopra, Jack Canfield, Dennis Waitley and 18 others. A book on strategies mastering business, life and relationships.

The Power of Women United, Contributing Author. An informative networking book.

"Wow! Very useable and extremely powerful learning. Linda was great! Her knowledge, experience and understanding clearly came through and her enthusiasm and passion for the content was truly contagious. I really like the pace of the workshop and the high impact interactive exercises really helped to clarify the concepts. Everyone left the workshop with lots of great information." J.M. Vice President

"Linda presented to a group of People Managers on the Topic of Networking Secrets and Branding Yourself. This was a great presentation and the group was fully engaged. An extremely valuable session and I want to thank Linda for sharing her wealth of knowledge." S.B. Senior Manager

"Linda's dynamic and informative presentation (Let's Chat: The Art and Science of Communicating and Connecting) was well received by all team members. It resonated, as well as gave clarity to various forms of communication. We look forward to applying the strategies. Thank you for a great presentation." B.W. CAE & Executive Director
